## **What's new in Fifa 22:**

- **Game Modes:**
  - **FIFA 22 introduces “HyperMotion Technology,” which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels, and on-ball actions is used to power gameplay.**
  - **FIFA 22 also introduces the new “FIFA Pre-Season Tour” game mode, inspired by the series’ World Tour Mode. FIFA Pre-Season Tour simulates a round of friendly matches against fellow Ultimate Teams. Join the FIFA 22 legends as they compete in an Ultimate League tournament played in four FIFA Pre-Season Tour locations and you can win the World Tour, the ultimate prize of the series, if you manage to win the league and reach the FIFA Pre-Season Tour Finals.**

## **Free Fifa 22 Activation For PC Latest**

FIFA is the ultimate football simulation - one that unleashes the pure visceral thrill of scoring and winning on the world's most popular team sports in a way never before seen. From the best-selling franchise on the planet, FIFA delivers all the intensity and drama of Europe's top leagues, including English Premier League, Spanish La Liga, Italian Serie A and France's Ligue 1 and the German Bundesliga. Reviews - IGN "FIFA is the most popular and exciting football experience around, with over 210 million players, not to mention many more who play FIFA online or on the PlayStation, Xbox or PC." Eurogamer "FIFA is the most authentic football experience you will find in any game." Game Informers "It's a game, it's FIFA and it's beautiful. The sheer quality of the game is enough to make most people happy." Official Xbox Magazine "Whether FIFA fan or not, the game is an experience you won't easily forget." New Straits Times WHAT IS THIS 'POWERED BY FOOTBALL' INTRODUCTION? FIFA's gameplay advances are powered by authentic transfer data and real-world tactics - decisions that are based on the latest research from the most elite football brains in the world. The real-world gameplay improvements in FIFA 22 are powered by EA SPORTS Football Training Grounds, an initiative run in partnership with the All Football Association ([www.the-afa.com](http://www.the-afa.com)) that sees football experts from all corners of the globe analyse, create and teach new tactics and techniques to FIFA players. The training grounds initiative was announced at the start of 2013 at a football symposium which brought together the world's top football minds, including Simon Norgard, Professor of Sport Psychology at the University of Birmingham, and Raj Acharya, Sport Coach and Consultant in the Sports & Health arena. The initiative is ongoing as part of EA's partnership with the AFA - an alliance that will see FIFA gamers trained on the latest technique, tactics and formations from the world's elite football brains and be informed about the latest technology to deliver FIFA gameplay that is more responsive, more unpredictable and better understood by football experts. POWERED BY FOOTBALL Whether you're playing on PlayStation®4, PlayStation
